## Helmet Safety Standards

### **ALL HELMETS MUST COMPLY WITH THE SAFETY STANDARDS AS SHOWN.**

A new rule introduced into the ESNZ General Regulations will see all riders competing in ESNZ disciplines having to wear approved safety helmets from 1st August 2017.

The ESNZ rule now states that all riders must wear an approved safety helmet in competition – the accepted safety standards can be found at all times on the ESNZ website. Many helmets have been checked and tagged by stewards, gear checkers and officials throughout the 2016-17 season so riders are all ready by 1 August 2017. Helmet checking and tagging will continue at events, and some special helmet tagging sessions, indefinitely.

ESNZ and New Zealand Pony Clubs Association have signed a joint memorandum of understanding to support the single tagging policy for New Zealand equestrian events and activities held by either of the two organisations.

As such, a joint ESNZ/NZPCA branded helmet tag has been produced. Once tagged, with the new red tag, a helmet will be allowed to be worn at all events and activities of either organisation.

Please note: RAS will also be following the lead of NZPCA and ESNZ with regards to helmet standards and tagging of helmets.
